**USE YOUR SKILLS AND EXPERIENCE WHILE
TRAVELLING WITHIN CANADA!!**

Community Solutions Limited specializes in providing 1:1 attendant care and community support services to facilitate accessibility and reintegration for persons with disabilities and the mature individuals.

Established in 1994, Community Solutions Limited has developed expertise in managing the various needs of people with disabilities living in the community. Our services include attendant care, medical, rehabilitation community support services provided by experienced, highly skilled and compassionate staff. Most recently we have successfully established accessible leisure experiences for persons with disabilities at a cottage getaway in the Muskokas, adventure recreational experiences including kayaking, horseback riding, sailing, camping, as well as accompanying an individual on a cruise. Our latest venture is to promote travel experiences throughout Canada for the traveler with a disability, whether they are a resident of Canada, or visiting from another country.

We require dedicated and experienced support personnel (PSWs, CSWs, RPNs, RNs and companions) to provide necessary and appropriate personal care while at the same time promoting the persons' maximum level of involvement and ability to engage in and complete their own activities and travel experience.
